Tuesday, April 25, the 9th March to Brasília in Defense of Municipalities (9ª Marcha a Brasília em Defesa dos Municípios) will open meetings at the Blue Tree Convention Center in Brazilian capital Brasília.

The event's theme this year is "Municipalities United Rebuilding a Federative Pact based on Solidarity" This year the National Confederation of Municipalities (Confederação Nacional dos Municípios) (CNM) expects to bring together 3,000 mayors from all over the country.

The mayors will be demanding a greater share of funds that finance health and education, and assistance in dealing with their debts.

On the last day of the event, Thursday, April 27, presidential candidates will address the gathering.
